

## DALLAS NORTH TOLLWAY IMPROVEMENT PROJECTS

**DNT CLOSURES SCHEDULED JUNE 10-12 AND 17-19**

### WHAT WILL BE CLOSED?

The following areas will be closed during both full closures:

- All northbound lanes of the DNT from the Spring Creek Parkway exit to the Headquarters Drive entrance ramp
- All southbound lanes of the DNT from Gaylord Parkway to the Spring Creek Parkway entrance ramp
- The east- and westbound direct-connector ramps from the SRT to southbound DNT
- The northbound DNT direct-connector ramp to east- and westbound SRT
- The northbound entrance ramp from Spring Creek Parkway
- The northbound exit ramps at Legacy and Headquarters Drive
- The southbound entrance ramps from Gaylord Parkway, SH 121 and Legacy Drive
- The southbound exit ramps to Legacy Drive and Spring Creek Parkway

Police officers will be stationed to assist with traffic control. For your safety and our crew's safety, please do not try to drive around barriers to access DNT.

### WHAT ARE THE CLOSURE TIMES?

The first weekend closure will begin at 11 p.m. Friday, June 10, when crews arrive to begin work. The area will remain closed until 5 a.m. Monday, June 13, at which time it will reopen to traffic.

The second weekend closure will begin at 9 p.m. Friday, June 17 and the DNT in the area will be fully closed by midnight. The DNT will remain closed until 5 a.m. Monday, June 20, at which time it will reopen to traffic.

### WHY IS THE DNT BEING CLOSED TWO WEEKENDS IN A ROW?

The DNT is being expanded to four lanes in each direction. In order to continue the expansion of the DNT fourth lanes, the bridge at Tennyson Parkway is being demolished and rebuilt. The weekend of June 10, the DNT will be closed to allow crews to demolish the northern portion of the Tennyson Parkway bridge.

The weekend of June 17, the DNT will be closed to allow crews to set beams for the new bridge. Allowing crews to have continuous access over these two weekends will allow work to progress quicker and reduce impacts to weekday commuter traffic.

### WHAT DETOUR SHOULD I TAKE?

Although Dallas Parkway will remain open during this operation, delays are expected. If you are traveling in that area, please see the closure map and plan to seek alternate routes accordingly.

### WHAT HAPPENS IF THERE IS BAD WEATHER?

In case of inclement weather, work could be rescheduled. For up-to-date closure information, please visit the website below or follow us on Facebook @ North Texas Tollway Authority.
